

Cookie Policy

Effective Date: June 23, 2026

Purpose

This Cookie Policy explains how Kiken Technologies ("Kiken Technologies," "we," "our," or "us") uses cookies and similar technologies on our website, as well as the choices available to visitors regarding their use.

By continuing to use our website, you consent to the use of cookies as described in this policy, unless you disable them through your browser settings or applicable consent preferences.

Does Kiken Technologies Use Cookies?

Yes.

Kiken Technologies uses cookies and similar technologies to enhance website functionality, improve user experience, analyze website traffic, and support our marketing and cybersecurity initiatives.

These technologies help us ensure our website operates securely and efficiently while providing visitors with relevant information and services.

What Is a Cookie?

A cookie is a small text file containing an identifier (a string of letters and numbers) that is stored on your device when you visit a website.

Cookies allow websites to recognize your browser, remember your preferences, and improve your experience during future visits. While cookies generally do not directly identify an individual, they may be associated with information that can identify a user when combined with other data.

Cookies may be used to:

- Recognize returning visitors
- Remember user preferences
- Improve website functionality
- Analyze website performance

- Support security monitoring
- Measure marketing effectiveness

Types of Cookies We Use

Session Cookies

Session cookies are temporary cookies that remain active only while you are browsing our website. These cookies are automatically deleted when you close your browser.

Persistent Cookies

Persistent cookies remain stored on your device after your browsing session ends. These cookies expire after a specified period or may be manually deleted through your browser settings.

Cookies Used by Kiken Technologies

Kiken Technologies and authorized third-party service providers may place cookies on our website to support functionality, analytics, performance monitoring, security, and marketing efforts.

Essential Cookies

Essential cookies are necessary for the operation of our website and cannot be disabled through our website settings.

These cookies help us:

- Administer and secure the website
- Remember information entered into forms
- Maintain user sessions
- Store website preferences
- Deliver requested services
- Monitor website performance and reliability
- Support cybersecurity and fraud prevention measures

Because these cookies are required for the website to function properly, they cannot be opted out of through our website.

Analytics and Performance Cookies

We may use analytics tools to better understand how visitors interact with our website.

These cookies help us:

- Measure website traffic
- Understand visitor behavior
- Improve website performance
- Enhance user experience
- Evaluate content effectiveness

Examples may include:

Google Analytics

Google Analytics uses cookies to collect information about website usage, visitor interactions, and performance metrics. Information is generally aggregated and anonymized where possible.

For more information, visit:

<https://policies.google.com/privacy>

Microsoft Clarity

Microsoft Clarity may be used to better understand user interactions with our website through anonymous usage analytics and behavioral insights.

For more information, visit:

<https://privacy.microsoft.com>

Marketing and Advertising Cookies

Kiken Technologies may use advertising and conversion-tracking technologies to understand the effectiveness of our marketing campaigns.

Examples may include:

Google Ads

Google Ads cookies help measure advertising performance, track conversions, and deliver relevant advertisements to users who have previously visited our website.

LinkedIn Insight Tag

LinkedIn cookies may be used to measure campaign effectiveness and understand interactions with our content and advertising.

Your Choices Regarding Cookies

Depending on your location and applicable laws, you may have the ability to accept, reject, or customize non-essential cookies.

You may also manage cookies through your browser settings.

Please note that disabling certain cookies may impact website functionality and limit access to certain features.

Instructions for managing cookies can be found through the following browser providers:

- Google Chrome
- Mozilla Firefox
- Microsoft Edge
- Apple Safari
